2022
FOR MAYOR
CONTRACT WITH LANGLEY

Dear Township of Langley Residents,

A few weeks ago we announced that we will be running a team for Township of Langley Council.

We need a new vision for our growth, a new plan for the next 25 years, not just the next election. We have to solve our chronic infrastructure deficit and catch-up with development. We need to be building more livable communities.

Our team has the experience and knowledge we need on Council for a rapidly growing municipality like ours: fire, policing, education, small business, construction and farming.

We have A Plan For Progress and A Plan for Schools with big ideas and a new vision for Langley's future. We will offer a firm Contract With Langley residents and taxpayers to 100% move forward, for Langley.

Taxpayers deserve a Mayor and Council there for a clear plan and a purpose, not the position.

This October, let's elect The Right Team with A Plan for Progress and A Plan for Schools that will work together to get it done.
